

EAST-WEST DEBT

Who are we ?

East-West Debt is a company specialised in assisting governments, banks, multinationals and insurers in solving defaulting trade and bank debt in emerging markets.

Our company's main goal is to create additional value in solving bad debts.

Based on our long experience, expertise and local contacts, we are able to provide a variety of solutions adapted to the need of any specific client, such as:

- **International litigation**

We pay for all legal proceedings, recovery actions, etc. until the claim is successfully collected.

- **Asset information**

We provide you with the whereabouts of assets of your debtor and you can freely decide whether or not to use the information.

- **Amicable settlements**

Our excellent network of local contacts increases the chances for an amicable solution.

- **Valuation of your claims**

All our collections are offered on a "no cure, no pay" basis (so no lump sums, court fees or any other costs of litigation), you only pay us the agreed fee from the amounts we recover for you.

On which countries do we focus ?

East-West Debt mostly concentrates on debtors in countries such as:
